### About The LHO

We are pleased to present to you **The Latin Heartbeat Orchestra (LHO)** - an engaging Latin/Latin Jazz musical ensemble comprised of New England's most seasoned and versatile musicians.

Our repertoire consists of a lively collection of Latin Music from 1960 – 1980, as well as original compositions and arrangements paying tribute to the legends that were instrumental in introducing what is currently known as SALSA.

Audiences delight in the exuberance of this orchestra, which exhibits extraordinary musicianship and showmanship, all while staying true to the musical interpretation of these sure-win classics. Crowds find themselves energized when they hear the musical blend and the contagious flavor of the **LHO**.

Over the past 5 years the **LHO** has had the pleasure of playing at some of New England's premier venues, as well as the honor of representing the State of Connecticut at the *2006 National Puerto Rican Day Parade* in New York City.

By popular demand, the **LHO** has had the distinct privilege of being invited back to the *Connecticut Salsa Festival* 5 years in a row – entertaining some of the world's best salsa dancers. From this exposure, we were able to bring our repertoire to the *Boston Salsa Congress* in 2009, and are currently in contact with the management of the *Atlanta Salsa Congress* and the *Open Hands Organization* in San Antonio, Texas.

Please contact us for any inquiries you may have. You may also visit our web site at [www.latinheartbeat.us](http://www.latinheartbeat.us) to learn more about this exciting group!

We look forward to hearing from you.
